18th June 1860 Bob gone to get Mrs Hunt's
Horses shod. We dug down tobacco. I
got saddle from C. to Denver. Mrs Hunt
came from Mrs Clemens - Bob gone to
shop. I staid at Mr Jones last night
met back to C. - to day Banks has
my Ruts etc to this day to settle - Bob
lost for me 3 bush Corn 3 sacks salt 1 bush
lime, 3 sets ~~of~~ ~~of~~ from Miller for me
hails from from Rausler for Hunts East of the
Pinto Mtn from Richmond. Car & two Hhds
tobacco from Mr Hunts plantation

16th Mrs Hunt Sally & Alice gone to C. H.
I went to see Betsy Suck, then to Sarah
McCallock to make out between her & Mr
I must aint down So. then went to Aspen
Mtn. They were cutting wheat in lot
& had cut hay & it rained as hard
for nearly two hours as ever I saw. It
got home about night, had to Coop
it Bridge by John Lewis. Some had
fell, did not do any damage, - till
the Rain plowing & truding down tobacco
in, Rained tremendous hard to the wind
Blow down a good deal of our fence
here. Washed very much. We hope to

Elvira is moving slowly rest all
yest Out, till for rain again to night
17th to play at home all day Sunday
18th went to Court settled my law with
Estah of J. D. Hunt as Esq. -

Planted Corn they morning Plowed
Corn & did it saged by Dick Tollos by
Peach Orchard saging Peach Orchard
Corn, broke fodder stack in upper
began to work tobacco in evening

19th June, 1860. Put my pony about 2 miles ago to Harris' Jack. —

20th Hauled up Slack Oats & 1 H-doger or bushel. The fodder stack moved into Dining Room to eat to m't, Sally gone to Abt. Plowed Peach Orchard. Corn & sweet Potatoes. Hauling down new ground tobacco. Send Claiborne down to aspin Grove for Scythe & Cradle. My old sow has five pigs - clear pretty day.

21st Finished sowing down tobacco, Sowing by corn next to Cape Whiteheads, put slack Fodder in stable loft this morning. Mr. Hunter returned from m't to day with Sally & allred, fair weather. Went to aspin Grove found them cutting lot wheat 5 of sheep & lambs dead there. Fair weather.

22nd Bob here this morning fixing scythes & going to begin to cut wheat in lot of land Charles to Post office, —

22nd I went to see Mr. Chemung yesterday, found two wrong, stopped us from cutting wheat. to day chopped out Peach Orchard corn, worked in garden, plowing corn next to Whiteheads, but cut some wheat. all that ripe. Clear dry day, cool of night at this time.

23rd Chopping & plowing corn next to Cape Whiteheads. Very cool & clear this morning. Bob here here since Wednesday.

24th I went to Roanoke Saturday & then to Cape Gibbons to see the old people.

25th Finished cutting wheat to day here fixing by spring making fence & plowing & chopping corn next to Whiteheads. — but Haines more flatfoot if she is sound when she comes to my plantation at \$50/-

26th to Roanoke to see the old people.

1860. June 26th Finished laying by Corn next to
Cape Whithead began to plow tobacco & Kelly
up over there. I went to Thomas W Andersons
Sale. property sold only tolerable.
Capt. Hale's Sale all night with us
27. June Jacob got some land at Andersons
Sale. and about \$1200 odd Dollars
I am going his account for that
plowing Corn in lot lower part of
then the Cotton. Clear drying another
28th waggon from Mrs H. place started to lay
carried a pot of Miller to see. 2 Hds of
tobacco, to bring back a 10th Copper ¹⁰⁰ some
for Sacramento, some Hale Whiskey & barrels for
Ader, 1 balloon machine oil & machine iron

lived this year of D. Hints Est. for \$15.00

30. Snowed last night a little & to day snowed
nearly all day in fact ^{the time} running all

31st snowed in the night & snowing yet good
o'clock snow about 4 or 5 inches deep

1860. Decr 31st We are trying to get wood
7th 1st cutting wood all day. Bob here
2nd Stripping tobacco in Barn on road. Mrs
Sarah & Melcher work out \$2 for Whiskey bag
Up on to land here a little but apart by Day
3rd Stripping tobacco. Henry draining ditches
in room, Mr. Hargrave & Nannie Clement came
him last night before I got from Recville
4th Mr. Hargrave hired Rho. La. the 25th Dec 1861
for \$15. 00. Mr. Hargrave left - gone to Mrs C
5th Ruled our Hogs here. Let Chumming have 300.
Haled a little wood. Cut & Malled wood. some
5th Cut out haled up yesterday got wood to day
Cutting & Malled at our ground. I went up
to town to see about also who is sick
6th Last day was kept by Nannie & me
On the Friday the 4th Jan'y 1861
Nannie came here to day -
began to Plow & getting sills for cedar & then
but Rain stopped us about 10 o'clock
going to strip tobacco in our Barn
stop raining they went to work again
in morning. did not rain much chaled off
8 Haled wood then tried getting sills for cedar
in House & got wood balance of the
went down to Philatown to see also H. S.
is better went from there to Mrs. Harts place
rented her land to Thompson & Habbard for \$1300.
Then went down to D. W. Waller. He
Rained again till morning went to
Wright's & to hunt my white sow, gone off a
mule this day & this evening haled up logs for
house, - also I hear is yet worse this morning
they sent for Doctor Eads some doctor died about
the time Doctor Eads got there, I don't know
the matter with her except Colic -
to you - "I'm a fool named

18th July 10th set out South to Chalk Level.
Mr Chumney gone to Plantation to make all
Cotton & see about her, my wife gone to Mr
Coleman's to see Mather who is sick or her.
Our folks are cutting & malling wood Henry
is Barking ribs this morning then to cutting
wood. still cloudy like for rain, I am going
to Mr. Burns place to see Bed, but by
Allen, the failed to comply with terms of sale
Then went to go to Aspen Grove to see about
burning also this morning she was burned
Mr Chumney made Cotton - this morning
11th Mrs Hargrave here last night brought home
Raising Cedar house to day close spinning

14th Hired Hannie & Johnson Hannie to have
refrigerators for Valuables & clothes Johnson to
Joseph or Moses on same terms
all went from here yesterday - every
this morning Hauling raining & freezing
at night made she raining & freezing.
Bob Henry making Brooms & Clusters like
Henry at work on Basket South picking
Cotton close spinning overalls made and
Blades & wheel saw - double mattock -
15 No better Rain all night & to day
our freezing down is nearly wet all over
make sledging & fixed it to day shielded
Corn & striped tobacco on large Barn,
set a Smith to mill, -
Rained nearly all night again, sheltered
this morning still cloudy like for rain

1861

16th Haled 2 loads of Tobacs out of new Barn to new Barn to stop. Then went to getting Boards Harry went to Mill Carr. 1 Turn for overseer Bro. back slab plank or puncheons for overseers kitchen & 1 Turn meal for us ~~but~~ ^{then} now I wanted 2000 ^{but did not find her}

17th This morning Mrs. & Bob going to C.H. getting slabs wood to day. I am going to plan to day - to see how they are coming on. Cut down corners of Cedar Staves found out down. My White Cow came up this evening with 5 pigs. Very likely & good looking.

18th Rainy this morning began to have P. for carriage house & granary & Barn. Helped us down meat to stoping Tobacs.

19th Cutting Mallory & Walling wood to day

20th Went to Sam Worshams to see about hog & its more, come by old place to see him there, he said at home balance of day.

21th Went to Court. done nothing hardly - Hewing P. for carriage house & granary until Henry for 0th & got him horse

22nd Hewing plates for granary. Hogs -

23rd Hewing log for granary clearing up new ground on road, ditching next to

Witchards. 4. fut & 2 fut Dip @ 1st both prongs.

Cold cloudy day & like for snow. in the evening it did snow smartly

24th Horrid morning - Rainy freezing this morning. Snow not up, stoping Tobacs,

Clim Spinning. Sale day at Mr. Hunt's place my old sow had 4 pigs lost 2 of them -

Willows Calf about 6 weeks old -

Cloudy all day did not meet much no sale but few people not stoping etc

25 Henry haled wood Harry milled rails & helped him load, balance stoping. Tobacs Cle Spinning in T. Mrs. Fitzgerald to see her & daughter

30th Haled wood to day to night to rail road

1861 Jan 25. Cloudy & likely for falling weather.
Jan 26 Rained & haled last night & this morning turned cold & snowing & haling & about 8 o'clock in morning snowing hard.
Finishing sloping tobacco what we have down this morning, then Mr Channing
will set me out a pair 5 shoes, double
for wet weather, shelling corn making
brooms etc to day - dreadful weather
all the year, & indeed not all the fall
snowing fast about night & haled about dark by
old sow lost 3 pigs, awful weather, & hails snow
almost every week, or raining, wind & snow
Shoe & Charles, to day, fixed spool frames.
27th Went to Strat Stone Prayer meeting only 3
there besides myself, Kelly & Robt Bates -
28th Cutting & haling in new ground on Hill
not to wheat field, I went to Plantation with
Pal. Coming after me, his Mama sick.
Sent Jordan after Dr. Thompson A.W.
she has something like flux, cold in her bowels
& hope nothing serious. he gave her a
pill with some opium in it & recommended
it in a day or two. & eat late, snow did
melt but little, very disagreeable weather.
29th Went to Plantation Malpa only to
cutting haling to get soon logs for growing
30. Getting logs for banana I staid at home
Lila sick. Sent for Mrs Coleman to see her
31st Covering kitchen to day all hands. Sent to
Mill got my bag for overseer his sent is ours still
with Henry Dick. Malpa better. Nearly all
Lila not much the smaller with her
Hib; in 1861. Covering kitchen got along
badly yesterday work likely for falling
weather this morning began to rain about 11
Hatched & cast jodder from peach orchard

Halling Mr. Claborne jointed some sheep
Chamney & Jerry Smith at work on kitchen
Raining before night regularly —
the Henry in House not much the matter
the taking Phizier, I stayed at home all day

2nd Rained all night. Rained this morning
hard taking down tobac in two large bags
little Henry this morning when I went
not high enough to take down last done
to strip, did not get down any
Rained all day last about night,

3rd looked like clearing off sometimes to
day toward evening cloudy & began to
rain, & about 10 o'clock in the night
the sun day began to snow, sent for Doctor A. W.
Thompson for Betsy at 10 Streets place,

4th This Morning snow about 3 inches
deep not very cold, going to hang up
our meat to day — sent A. W. Thompson
This day is Election Day for members to
convention at Richmond, Hang up 139
lb Bacon & 23 doles, getting & halling
the W. W. I went to Election & left my
